

NHC Tour Leaderboard Descriptions and Awards

Overall Leaderboard: The overall Leaderboard consists of a participant's top six scores accumulated in NHC qualifiers from January 31, 2016 through January 1, 2017. One of the six scores must come from a live, onsite Tournament. An individual who does not score any points in an onsite Tournament will receive a zero for his/her sixth overall year score. For example, during the year, an individual with six online scores but no onsite scores will be credited for his or her top five scores. Participation points will count in the participant's overall score. Participation points (150 points onsite and 50 points online) are capped at 1,500 points for the year.

Overall Leaderboard Prizes: The top 20 Tour Points leaders will receive cash prizes totaling \$175,000. The overall winner will receive a cash prize of \$75,000 and a seat to the 2018 NHC.
