4. TOUR EVENTS

The 2016 NHC Tour calendar will begin on January 31, 2016 and conclude on January 1, 2017. The 2016 NHC Tour will consist of live onsite and live online Tournaments approved by the NTRA and offering qualifying seats to the 2017 NHC.

Each Tournament offering NHC Tour points must offer a minimum of two (2) seats to the 2017 NHC and consist of a minimum of 25 individual participants. No Tour points will be awarded in Tournaments consisting of fewer than 25 individuals. No venue (onsite or online) may host more than one qualifying Tournament per day unless otherwise approved by the n advance by the NTRA.

Each individual Tournament held online or onsite is governed by its own rules, state laws and regulations. The rules and Tournament dates must be approved by the NTRA, which will record points earned based on Tournament placings and participation in such qualifying Tournaments (see Tour Scoring).

5. TOUR SCHEDULE AND SCORING

NHC Tour Points will be awarded only at Tournaments that offer at least two qualifying spots to the NHC.

The NHC Tour season will be from January 31, 2016 – January 1, 2017.

Points will be awarded only at tournaments that offer at least two qualifying spots to the NHC.

For scoring purposes, there will be three NHC Tour Leader Boards:

- NHC Tour First-Half Year Leader Board (Jan. 31-July 31)
- NHC Tour Second-Half Year Leader Board (Aug. 1-Jan. 1, 2017)
- NHC Tour Overall Leader Board (Jan. 31, 2016-Jan. 1, 2017)

A participant's top four scores accumulated from January 31 through July 31 will count toward the NHC Tour First-Half Year Leader Board. A participant's top four scores accumulated from August 1 through January 1, 2017 will count toward the NHC Tour Second-Half Year Leader Board. A participant's top six scores overall will count toward the NHC Tour Overall Leader Board.

Importantly, one of the four scores posted to the First-Half Year Leader Board or Second-Half Year Leader Board must come from a live, onsite Tournament. Similarly, one of the six scores posted on the Overall Leader Board at the end-of-year must come from a live, onsite Tournament. An individual who does not score any points in any onsite Tournaments will receive a zero for his/her fourth half-year score and sixth year-end, overall score.

For example, during the first half year, an individual with five online scores but no onsite scores will be credited for his or her top three scores. If an individual registers five online scores and one onsite score, then the top three online scores and the one onsite score will count toward Tour prize money, no matter what the onsite score.

NHC Tour First Half-Year & Second Half-Year Tour Prize Money and Full-Year Overall Tour Prize Money

NHC Tour First Half-Year Leader Board

The top five Tour Points leaders as of July 31, 2016 will each receive a \$10,000 Breeders' Cup Betting Challenge (BCBC) entry or \$10,000 if they already have qualified to the BCBC.

NHC Tour Second Half-Year Leader Board

For scoring purposes, the Second Half Year Leader Board will begin with all NHC Tour member points totals reset to zero. A total of \$50,000 in prize money (\$10,000 each to the top five finishers) will be paid out to the top five NHC Tour members accumulating the most Tour Points from Aug. 1, 2016-Jan. 1, 2017.

NHC Tour Overall Leader Board

Full-Year Tour An additional \$200,000 will be paid out to Tour Points Leaders as of January 1, 2017 (see NHC Tour prize money breakdown).

Tour Points

Individuals finishing among the top 150 points leaders on the year-end NHC Tour Leader Board, who have not already qualified to the 2017 NHC at an onsite or online NTRA-sanctioned Tournament, will automatically qualify for the 2017 NHC.

All individuals (not entries) participating in each qualifying Tournament will receive 50 points for participating in an online Tournament and 150 points for participating in an on-

track Tournament. Participation points will be capped at 1500 points for the 2016 Tour regardless of the way they are accumulated.

Additional Tour points will be awarded and based on the number of entries participating in an NHC-sanctioned qualifier. Tour Points are earned by finishing above the 90th percentile in any qualifying Tournament. For example, a Tournament with 50 entries will award points to the top five (5) scores; a Tournament with 250 entries will award points to the top 25 scores; a Tournament with 500 entries will award points to the top 50 scores.

In the case of free NHC qualifiers, Tour Points will be awarded based on the total number of Tour members competing in the tournament. For example, if a free Tournament has 1,000 overall entries, but only 500 NHC Tour entries, points will be awarded for the 50 top tour member scores (i.e. the contest will be scored as any other NHC tournament after all non-tour members are excluded from the leaderboard).

For Tour scoring purposes, Tour points will be awarded based on the total number of *entries* in the contest but will capped at a maximum of twice the total number of *individuals* entered. For example, a tournament with 100 individuals competing and 250 total entries will award Tour points based on 200 entries (i.e. capped at twice the number of individuals).

No Tour points are awarded for contests with fewer than 25 individuals entered. Refer to the [new NHC Tour Points Calculator](#) to find out exactly how many points are awarded for any given contest size and type (online or local venue).

Individuals with more than one entry in a particular Tournament who finish above the 90th percentile with more than one entry will earn points ONLY for their highest finish. In the event this occurs, all other participants accumulating points shall retain their original points total for the Tournament. For example, in the event the same individual finishes fifth and seventh, respectively, in the same Tournament, only the individual's highest point total will receive Tour points. For the purposes of tabulating Tour points, the individual finishing in eighth place (and all others receiving points) will not advance one position for scoring purposes.

In the event that an individual finishes above the 90th percentile in a specific tournament and is subsequently disqualified, eligible individuals in the succeeding spot(s) in the standings will move above the 90th percentile for purposes of recording Tour points.

In the case of Tournaments offering multiple rounds of play leading to a final, the total number of points awarded at the final will be based on the total number of entries entered in the final round only (and also capped at a maximum of twice the total number

of individuals competing in the final round).

6. NHC Tour Scoring System

SEE ATTACHED EXCEL SPREADSHEET.

7. QUALIFYING TO THE NHC

A player may qualify to the NHC twice, but only once in any single NHC qualifying Tournament. A player that qualifies via an onsite or online Tournament is not eligible to qualify a second time via his or her standing on the NHC Tour Leader Board. An individual who wins an NHC seat through Tour points or through a victory or high placing in a Tournament may compete to earn a second seat at the 'Last Chance' Tournament in Las Vegas and any other on-line qualifiers held after January 1, 2017 and prior to the "Last Chance". None of the contests held after January 1, 2017 and prior to the 2017 NHC will award Tour points for 2016, 2017 or 2018.

A participant who qualifies for the NHC accepts his or her seat(s) to the NHC at the time the Tournament is declared official, and he or she may not trade those seats for another seat (and prize) should he/she qualify to the NHC three or more times over the course of the Tour season. Should a player qualify a second time for the NHC, and should he or she have already received travel and hotel awards for the first qualification, the second qualification will a complimentary four night stay at the Treasure Island Las Vegas to be utilized at a time of the year other than during the NHC.

NHC seats may not be transferred.

8. TIEBREAKER

If, on January 1, 2017, two (2) or more NHC Tour Members are tied for first place in the point standings, the following tiebreaker will go into effect: The NHC Tour Member with the highest number of top ten (10) finishes over the course of the entire calendar year will be declared the winner. For all other ties, prize money will be divided equally.

Local Tournament directors will be required to turn in official scores and a list of all Tournament participants following each Tournament.

*The 2016 NHC Tour winner will be eligible for a \$2 million bonus if he/she wins the 2017 NHC. The bonus will be paid in the form of an annuity and is subject to the terms

and conditions set forth by the insurance carrier.

Tour Members qualifying to the 2017 NHC based on Tour points or through winning a seat through one of the NHC Tour's NTRA-sanctioned Free-to-Play online Tournaments will receive an airfare reimbursement or airline voucher of \$400 and complimentary host hotel room expenses for a minimum of four nights, excluding incidentals. No substitution(s) are permitted. Airfare reimbursement must be submitted to the NTRA along with a W-9 and receipt by January 31, 2017.

It is anticipated that the final NHC Tour results will be announced within seven (7) days of the completion of the 2016 Tour and that the top five (5) prizes will be paid (by cash, check or casino chips in cooperation with the host NHC property, at the sole discretion of the NTRA) at the January 2017 NHC.

NHC Tour Members receive automatic enrollment in the Horseplayers' Coalition, which offers interested players an opportunity to support NTRA's ongoing efforts to advance federal tax and other legislative issues which have a direct impact on pari-mutuel customers and racetracks. A link on NTRA.com will include an explanation of such issues, suggested legislative and regulatory solutions, and details regarding how interested players can support NTRA's efforts on Capitol Hill and elsewhere.

NHC Tour Members receive automatic membership in NTRA Advantage and become eligible for discounts from brands that include John Deere, Sherwin-Williams OfficeMax, and Valvoline, among others.
