

2018 NTRA

National Horseplayers Championship Tour

OFFICIAL RULES*

(As of January 16, 2018)

These are the Official Tour Rules ("Official Rules") for the 2018 NTRA National Horseplayers Championship Tour ("NHC Tour"). By signing up and paying the NHC Tour registration fee, participants ("Player") hereby agree to and acknowledge compliance with all Official Rules.

Noteworthy Changes from 2017:

1. Tour Members are eligible to participate in up to 12 "Members Only" Free-to-Play online contests offering a total of 25 berths to the 2019 NHC.
2. A special, separate Top 50 Leader Board will be maintained (in addition to the regular Leader Board), which will include only those players NOT already qualified for the NHC through an official NHC on-track or online contest. The top 50 Individual overall points leaders at year-end on that special Leader Board will automatically qualify into the 2019 NHC. Note that in the past using the old system (i.e., those in the 150 on the overall leaderboard who had not already qualified for the NHC) typically between 40 and 50 people qualified for the NHC via tour points.
3. A participant's top seven scores overall, accumulated between February 10, 2018 and January 12, 2019, will count toward the NHC Tour Overall Leader Board.
4. In the case of NHC member Free-to-Play online contests offering Tour Points, for scoring purposes only, Tour Points will be awarded based on the total number of Tour members competing in the tournament and will be capped at 1,000 entries, regardless of the actual number of entries in any individual Free-to-Play contest.
5. Participation points will be capped at 750 points for the First half-year Leader Board and 750 points for the Second half-year Leader Board. Participation points will be capped at 1,500 points for the 2017 overall Tour Leader Board regardless of the date on which they are accumulated.
6. Anyone found to have engaged in or attempted to engage in any act that the NTRA in its sole and absolute discretion deems to compromise the integrity of the NHC Tour or NHC will be subject to disqualification.

ELIGIBILITY

Tour Membership (“Membership”) is mandatory when competing in paid entry Tournaments in order to be eligible to win a berth in the NTRA National Horseplayers Championship (“NHC”) in 2019. All Tour Members are required to provide their name, mailing address, e-mail address and phone number. Tour Membership is good for the 2018 calendar year and all 2019 qualifying events to the 2019 NHC. Tour Members are recognized as individual members of the NTRA and receive the following:

- Eligibility to compete for \$400,000 in prize money awarded to Tour point leaders;
- Special offers and discounts from the NTRA and other NHC sponsors, including Equibase and STATS™ Race Lens;
- Eligibility to participate in up to 12 “Members Only” FREE online tourneys offering a total of 25 berths to the 2019 NHC;
- The top 50 Individual points leaders on the overall year-end Leader Board, who have not already qualified through an official NHC on-track or online contest, will automatically qualify into the 2019 NHC;
- The Tour points leader upon season’s end will be eligible for a \$2 million bonus* should he or she win the 2019 NHC;
- Weekly e-newsletter featuring recaps of previously held tourneys, player profiles, schedules, links to upcoming Tournaments, etc.;

*The 2018 NHC Tour winner will be eligible for a \$2 million bonus if he/she wins the 2019 NHC. The bonus will be paid in the form of an annuity or lump sum payment and is subject to the terms and conditions set forth by the insurance carrier.

- REGISTRATION

Individuals must register to become an official NHC Tour Member at the following link:

<http://www.ntra.com/membership/>

Each individual member must have his/her own e-mail address. No sharing of e-mail addresses is permitted. Name, mailing address, e-mail address and phone number are required.

Members must be at least twenty-one (21) years of age to compete in the NHC in Las Vegas. Members should check local tournament rules for eligibility and age requirements.

Upon registration, each NHC Tour Member will receive a Personal Identification Number (PIN). It is the NHC Tour Member's sole responsibility to notify Tournament officials that he or she is a Tour Member when entering and participating in an NTRA-sanctioned Horseplayers event offering Tour points and a berth in the NHC.

Individual Tour Members are responsible for entering their Personal Identification Number (PIN) at the time of tournament registration. Individuals who fail to enter their PIN at the time of registration and finish above the 90th percentile will have 48 hours after the conclusion of the tournament in question to notify the NTRA, otherwise, they may be declared ineligible to receive Tour points.

Officers and employees of the NTRA, STATS™ Race Lens, Racetrack Television Network and employees of Treasure Island are ineligible to participate in the NHC Tour or NHC, unless expressly authorized. Members of the NTRA Board of Directors and their immediate family members may participate in the NHC and NHC Tour

NTRA reserves the right to deny any person membership in the NHC Tour for any reason whatsoever in its sole and absolute discretion.

- NHC TOUR FREE-TO-PLAY ONLINE TOURNAMENTS

All NHC Tour Members, unless expressly prohibited, will be eligible to play in as many as 12 officially sanctioned NHC Tour “Members Only” Free-to-Play Online Tournaments (i.e. no entry fee required beyond Tour membership) accessible on NTRA.com and/or through a designated tournament operating partner (e.g. HorsePlayers.com). There will be no entry fee for these Tournaments and a total of 25 berths into the NHC will be offered as prizes during the course of 2018. Tournament dates will be posted on the official NHC Tour schedule. These “Members Only” Free-to-Play Online Tournaments are for 2018 NHC Tour members only.

In the case of NHC member Free-to-Play online contests offering Tour Points, for scoring purposes only, Tour Points will be awarded based on the total number of Tour members competing in the tournament and will be capped at 1,000 entries,

The 2019 NHC will be held Friday, February 8 - Sunday, February 10.

- TOUR EVENTS

The 2018 NHC Tour will begin on February 10, 2018 and conclude on January 12, 2019. The 2018 NHC Tour will consist of live onsite and live online contests approved by the NTRA and offering qualifying berths into the 2019 NHC.

Each contest offering NHC Tour points must offer a minimum of two (2) berths into the 2019 NHC and consist of a minimum of 25 individual participants. No Tour points will be awarded in contests consisting of fewer than 25 individuals. No venue (onsite or online) may host more than one qualifying Tournament per day unless otherwise approved in advance by the NTRA.

Each individual contest held online or onsite is governed by its own rules, state laws and regulations. The rules and contest dates must be approved by the NTRA, which will record points earned based on contest placings and participation in such qualifying contests (see Tour Scoring).

- TOUR SCHEDULE AND SCORING

NHC Tour Points will be awarded only at contests that offer at least two qualifying berths into the NHC.

The NHC Tour season will be from February 10, 2018-January 12, 2019.

For scoring purposes, there will be three NHC Tour Leader Boards:

- NHC Tour First-Half Year Leader Board (February 10-July 29)
- NHC Tour Second-Half Year Leader Board (July 30-January 12, 2019)
- NHC Tour Overall Leader Board (February 10, 2018-January 12, 2019)

NTRA reserves the right to modify the Tour dates without claim for damages or recourse of any kind.

A participant's top four scores, accumulated from February 10 through July 29, will count toward the NHC Tour First-Half Year Leader Board. A participant's top four scores, accumulated from July 30 through January 12, 2019, will count toward the NHC Tour Second-Half Year Leader Board. A participant's top seven scores overall, accumulated between February 10, 2018 and January 12, 2019, will count toward the NHC Tour Overall Leader Board.

Importantly, one of the four scores posted to the First-Half Year Leader Board or Second-Half Year Leader Board must come from a live, onsite contest. Similarly, one of the seven scores posted on the Overall Leader Board at the end-of-year must come from a live, onsite Tournament. An individual who does not score any points in any onsite contests will receive a zero for his/her fourth half-year score and seventh year-end, overall score.

For example, during the first half-year, an individual with five online scores but no onsite scores will be credited for his or her top three scores. If an individual registers five online scores and one onsite score, then the top three online scores and the one onsite score will count toward Tour prize money, no matter what the onsite score.

NHC Tour First Half-Year & Second Half-Year Tour Prize Money and Full-Year Overall Tour Prize Money

NHC Tour First Half-Year Leader Board

The top five Tour Points leaders as of July 29, 2018 will each receive a \$10,000 Breeders' Cup Betting Challenge (BCBC) entry or \$10,000 if they have already qualified to the BCBC.

NHC Tour Second Half-Year Leader Board

For scoring purposes, the Second Half-Year Leader Board will begin with all NHC Tour member points totals reset to zero beginning July 30, 2018. The top five Tour Points leaders, with points accumulated between July 30 and January 12, 2019, will each receive a \$10,000 Breeders' Cup Betting Challenge (BCBC) entry or \$10,000 if they have already qualified to the BCBC.

NHC Tour Overall Leader Board

An additional \$285,000 will be paid out to overall, official Tour Points Leaders as of January 12, 2019 (see NHC Tour prize money breakdown).

Tour Points

A special, separate Top 50 Lader Board will be maintained (in addition to the regular Leader Board), which will include only those players NOT already qualified for the NHC through an official NHC on-track or online contest. The top 50 Individual overall points leaders at year-end on that special Top 50 Leader Board will automatically qualify into the 2019 NHC. Note that in the past using the old system (i.e., those in the 150 on the overall leaderboard who had not already qualified for the NHC) typically between 40 and 50 people qualified for the NHC via tour points.

The top 50 Individual points leaders on the overall year-end Leader Board, who have not already qualified through an official NHC on-track or online contest, will automatically qualify into the 2019 NHC.

Participation Points:

All individuals (not entries) participating in each qualifying Tournament will receive 50 points for participating in an online contest and 150 points for participating in an on-site contest.

Participation points will be capped at 750 points for the first half-year Leader Board and 750 points for the second half-year Leader Board.

Participation points will be capped at 1,500 points for the 2017 overall Tour Leader Board regardless of date when they are accumulated.

For example, if an individual earns 1,000 participation points during the first half-year and 500 participation points during the second half-year, only 750 points will count towards his or her first half-year score, however, he or she will earn 1,500 points towards their overall year-end score.

Tour Points:

Additional Tour points will be awarded and based on the number of entries participating in an NHC-sanctioned qualifier. Tour Points are earned by finishing above the 90th percentile in any NHC-sanctioned qualifying contest. For example, a contest with 50 entries will award points to the top five (5) scores; a contest with 250 entries will award points to the top 25 scores; a contest with 500 entries will award points to the top 50 scores.

In the case of NHC member Free-to-Play online contests offering Tour Points, for scoring purposes only, Tour Points will be awarded based on the total number of Tour members competing in the tournament and will be capped at 1,000 entries, regardless

of the actual number of entries in any individual contest. For example, if a free Tournament has 1,500 overall entries, but only 1,100 NHC Tour member entries, points will be awarded to the 100 top tour member scores (i.e. the contest will be scored similarly to any other NHC qualifier after all non-Tour members are excluded from the Leader Board).

For Tour scoring purposes, Tour points will be awarded based on the total number of *entries* in the contest but will be capped at a maximum of twice the total number of *individuals* entered. For example, a tournament with 100 individuals competing and 250 total entries will award Tour points based on 200 entries (i.e. capped at twice the number of individuals).

No Tour points will be awarded in contests with fewer than 25 individuals (not entries) entered. Refer to the [NHC Tour Points Calculator](#) to find out exactly how many points are awarded for any given contest size and type (online or onsite).

Individuals with more than one entry in a particular contest who finish above the 90th percentile with more than one entry will earn points **ONLY** for their highest finish. In the event this occurs, all other participants accumulating points shall retain their original points total for the contest. For example, in the event the same individual finishes fifth and seventh, respectively, in the same contest, only the individual's highest point total will receive Tour points. For purposes of tabulating Tour points, the individual finishing in eighth place (and all others receiving points) will not advance one position for scoring purposes.

In the event that an individual(s) finishes above the 90th percentile in a specific contest, and is subsequently disqualified, one or more eligible individuals in the succeeding spot(s) in the standings will move above the 90th percentile for purposes of recording Tour points.

In the case of contests offering multiple rounds of play leading to a final, the total number of points awarded at the final will be based on the total number of entries entered in the final round only (and also capped at a maximum of twice the total number of individuals competing in the final round).

- **NHC Tour Scoring System**

Refer to the LeaderBoard calculator on NTRA.com.

- **QUALIFYING TO THE NHC**

A player may qualify to the NHC twice, but only once in any single NHC qualifying contest. A player that qualifies via an onsite or online contest is not eligible to qualify a second time via his or her final standing on the NHC Tour Leader Board.

An individual who wins an NHC seat through Tour points or through a victory or high placing in a contest may compete to earn a second seat at any 'Last Chance/First Chance' Contest held onsite and at online qualifiers held after January 12, 2019 and prior to the 2019 NHC. None of the contests between January 13, 2019 and February 8, 2019 will award Tour points.

A participant who qualifies for the NHC accepts his or her berth(s) to the NHC at the time the qualifying contest is declared official, and he or she may not trade or transfer those berths for another berth (and prize) should he/she qualify to the NHC three or more times over the course of the Tour season. Should a player qualify a second time for the NHC, and should he or she have already received travel and hotel awards for the first qualification, the second qualification will receive a complimentary four night stay at the Treasure Island Las Vegas to be utilized at a time of the year other than during the NHC.

NHC seats have no cash value and may not be sold or transferred.

- **TIEBREAKER**

If, on January 13, 2019, two (2) or more NHC Tour Members are tied for first place in the point standings, the following tiebreaker will go into effect: The NHC Tour Member with the highest number of top ten (10) finishes over the course of the entire Tour year will be declared the winner. In the further event of a tie or for all other ties, prize money will be divided equally.

Local contest directors will be required to turn in official scores and a list of all contest participants following each Tournament.

*The 2018 NHC Tour winner will be eligible for a \$2 million bonus if he/she wins the 2019 NHC. The bonus will be paid in the form of an annuity or lump sum payment and is subject to the terms and conditions set forth by the insurance carrier.

Tour Members qualifying to the 2019 NHC based on Tour points or through winning a berth through one of the NHC Tour's NTRA-sanctioned "Members Only" Free-to-Play

online contests will receive an airfare reimbursement up to \$400 and complimentary host hotel room expenses for a minimum of four nights, excluding incidentals. No substitution(s) are permitted. Airfare reimbursement is for coach fare only (e.g., no upgrades, parking, baggage fees, wi-fi, shuttle) and must be submitted to the NTRA along with a W-9 and receipt(s) by February 4, 2019.

It is anticipated that the final NHC Tour results will be announced within seven (7) days of the completion of the 2018 Tour and that the cash prizes will be sent to the winners within two weeks of announcing the official NHC Tour results.

NHC Tour Members receive automatic enrollment in the Horseplayers' Coalition, which offers interested players an opportunity to support NTRA's ongoing efforts to advance federal tax and other legislative issues which have a direct impact on pari-mutuel customers and racetracks. A link on NTRA.com will include an explanation of such issues, suggested legislative and regulatory solutions, and details regarding how interested players can support NTRA's efforts on Capitol Hill and elsewhere.

NHC Tour Members receive automatic membership in NTRA Advantage and become eligible for discounts from brands that include John Deere, Sherwin-Williams and Office Depot, among others. For more information about NTRA Advantage, visit NTRAadvantage.com or call (866) 678-4289. NTRA Advantage partners are subject to change.
